

Processing of BSUoS II runs has resumed today

National Grid BSUoS Charging Circular

12th January 2018

Further to previous communications that we have released over the last couple of days I am pleased to report that we have now fixed the issues that prevented us from processing BSUoS II runs and that processing of these runs has therefore now resumed.

Key Information

To catch up with the backlog of unprocessed runs that this issue has caused we will today be processing all the II runs listed below along with the normally scheduled SF and RF runs, also listed below.
