

CMP290 'Housekeeping change to CUSC Section 14 to rectify minor typographical errors, correct formatting and consistency and to update/remove paragraph numbering and incorrect references

CUSC Panel – 23 February 2018
Taran Heir – National Grid

Background

- Modifications that are due for implementation into the Section 14 of the CUSC on **1st April 2018**:
 - **CMP264** 'Embedded Generation Triad Avoidance Standstill'
 - **CMP265** 'Gross charging of TNUoS for HH demand where embedded generation is in Capacity Market'
 - **CMP268** 'Recognition of sharing by Conventional Carbon plant of Not-Shared Year-Round circuits'
 - **CMP282** 'The effect Negative Demand has on Zonal Locational Demand Tariffs'

Summary of Defect

- A housekeeping change is required since implementing the legal text as they stand for each Modification will not make sense; a number of errors have been identified and become apparent as a result of the time passed and the development other Modifications since the earlier decisions.
- The amendments are required to:
 - Correct minor typographical errors
 - Correct formatting and consistency errors
 - Update paragraph numbering
 - Update/remove incorrect references

Proposed CUSC Modification

- This Proposal seeks to amend;
 - CUSC Section 14 – Charging Methodology
- These are housekeeping changes and therefore have no material impact on Users as per the Fast Track Criteria.

Justification against Fast Track criteria

Fast Track criteria

Is properly a housekeeping modification required as a result of some error or factual change; including but not limited to:

- (a) Updating names or addresses listed in the CUSC;*
- (b) Correcting minor typographical errors*
- (c) Correcting formatting and consistency errors, such as paragraph numbers or*
- (d) Updating out of date references to other documents or paragraphs.*

Code Administrator Proposed Progression

- The Panel is asked to agree:
 - Whether CMP290 should be implemented

Proposed Timetable

23 February 2018	Draft CUSC Modification Fast Track Proposal Report presented to the CUSC Panel
26 February 2018	Publish approved CUSC Modification Fast Track Report
16 March 2018	Appeal window closes
1 April 2018	Code Administrator implement CMP290
