13 November 2018

Dear Shazia,

Notice of Withdrawal of Support for CUSC Modifications CMP280 & CMP281

In accordance with CUSC 8.16.10 I hereby give formal notice that ScottishPower Energy Management Limited is withdrawing its support as Proposer of CUSC Modification proposals CMP280¹ and CMP281².

This decision has been prompted by the sale of ScottishPower's traditional generation business to Drax, which we announced on 16 October.

We still believe that there are merits in both of these Modification Proposals and trust that another Party will be prepared to support the Proposals in our place.

Yours sincerely,

James Anderson
Commercial & Market Arrangements Manager

¹ **CMP280: Creation of a New Generator TNUoS Demand Tariff which removes Liability for TNUoS Demand Residual Charges form Generation and Storage Users**

² **CMP281: Removal of BSUoS Charges from Energy Taken From the National Grid System by Storage Facilities** **CMP281: Removal of BSUoS Charges from Energy Taken From the National Grid System by Storage Facilities**
