

## Security and Quality of Supply Standards (SQSS) Headline Report – 13 March 2019

### Introductions

The NETS SQSS Review Panel Headline Report is produced after every NETS SQSS Review Panel and aims to provide an overview of the key discussion points.

The Chair (Christine Brown) opened the Panel Meeting by making introductions and apologies.

### Approval of January 2019 Minutes by Panel

The minutes from the SQSS Review Panel meeting held on 16 January 2019 were approved subject to minor amendments to provide clarity of Panel Members industry.

These will be shortly available on National Grid ESO website [here](#)

Action Log – please refer to action log [here](#)

### Chapter 7

The Panel discussed the National Grid Electricity System Operator position on the draft guidance that was circulated.

It was agreed by all Panel Members that the SQSS Chapter 7: Draft Guidance will be split into two sections. Section 1-4 as already agreed, the remainder of the document will outline the National Grid ESO position. This will be finalised and uploaded to our website shortly following circulation to the Panel.

### Draft Modification Report

#### **GSR025 Updating the SQSS to reflect the recent modification to Engineering Recommendation P28**

The Chair (Christine Brown) advised the Panel **GSR025** is ready to be sent to Ofgem imminently.

### Standing Items

- a) No comments from panel Members on review of Modification Register – please refer to modification register [here](#)
