

1 Glossary and Definitions

1. Edit to include the following new definitions and amendments to existing definitions.

EBGL Amendment	Any amendment to the Grid Code which amends the EBGL Article 18 Terms or Conditions including to introduce a new provision for the purposes of Article 18 into the Grid Code .
EBGL Article 18 Terms and Conditions	Terms and conditions which have been approved by the Authority pursuant to and for the purposes of Article 18 of European Regulation (EU) 2017/2195 . In the context of the Grid Code these terms and conditions are identified for convenience in Grid Code [Governance Rules Annex GR.B] as such [Annex GR.B] is amended from time to time.
Standard Modifications	A Grid Code Modification Proposal that does not fall within the scope of a Significant Code Review subject to any direction by the Authority pursuant to GR.16.3 and GR.16.4, nor meets the Self-Governance Criteria subject to any direction by the Authority pursuant to GR.24.4 and in accordance with any direction under GR.24.2. A Grid Code Modification Proposal that constitutes an EBGL Amendment shall be a Standard Modification [except where it is an Urgent Proposal].

2 Governance Rules

- 1 Edit GR.15.1 to introduce (d).

(d) a proposal which constitutes an **EBGL Amendment** may be made under (a) or (b) above even where not made by **The Company** and in addition to (c) above the **Authority** may make a proposal to amend the **Grid Code** to the extent that it constitutes an **EBGL Amendment**.

- 2 Edit GR.15.3 to introduce (k) and replace “.” at end of (j) with “;”

(k) whether or not (and to the extent) that in the **Proposer's** view the **Grid Code Modification Proposal** constitutes an **EBGL Amendment**.

[nb for practical purposes the mod proposal form will be updated to provide for this]

- 3 Edit GR.15.7 to introduce (c) and replace “.” at end of (b) with “;”

- (c) note whether in the **Proposer's** view the **Grid Code Modification Proposal** constitutes an **EBGL Amendment**.

4 Add the following as GR.18.9.

GR.18.9 The **Grid Code Review Panel** shall evaluate each **Grid Code Modification Proposal** and determine whether the **Grid Code Modification Proposal** constitutes an **EBGL Amendment** (and in the event of disagreement **The Company's** view shall prevail).

5 Edit GR.19.1 to introduce (f).

- (f) where the **Grid Code Modification Proposal** constitutes an **EBGL Amendment** the timetable shall be such that the **Workgroup Consultation**, or in respect of a **Grid Code Modification Proposal** where a **Workgroup** has not been established, the **Code Administrator's** consultation is not less than [one calendar month/31 calendar] days.

6 Edit the first paragraph at GR.20.10 as follows.

After development by the **Workgroup** of the **Grid Code Modification Proposal**, and (if applicable) after development of any draft **Workgroup Alternative Grid Code Modification(s)**, the **Workgroup** may (subject to the provisions of GR 8.20.16) consult **and where the Grid Code Modification Proposal constitutes an EBGL Amendment will consult** ("**Workgroup Consultation**") on the **Grid Code Modification Proposal** and, if applicable, on any draft **Workgroup Alternative Grid Code Modification(s)** with:

- (a) **Users**; and
- (b) such other persons who may properly be considered to have an appropriate interest in it-; **and**,
- (c) where the **Grid Code Modification Proposal** and, if applicable, any draft **Workgroup Alternative Grid Code Modification(s)** constitutes an **EBGL Amendment** with the **Authority** and other relevant stakeholders.

7 Edit GR.20.11 to introduce (d) and delete "." At end of (c).

- (d) where the **Grid Code Modification Proposal** or **Workgroup Alternative Grid Code Modification(s)** constitutes an **EBGL Amendment** and notwithstanding any other provisions in this section 8, the proposed legal drafting.

8 Edit GR.20.17 as follows.

The **Grid Code Review Panel** may, at the request of the chairman of the **Workgroup**, **and will at the request of The Company** in the case of an **EBGL Amendment** (but only where and to the extent required by **European Regulation (EU) 2017/2195**) direct the **Workgroup** to undertake further **Workgroup Consultation(s)**. At the same time as such direction the **Grid Code Review Panel** shall adjust the timetable referred to at GR 19.1(cb) and the **Code Administrator** shall be entitled to adjust the timetable referred to at GR19.1 (c), provided that

the **Authority**, after receiving notice, does not object. No **Workgroup Consultation Alternative Request** may be raised by any **User** (including any **Authorised Electricity Operator**; **The Company** or a **Materially Affected Party**), the **Citizens Advice** and the **Citizens Advice Scotland** during any second or subsequent **Workgroup Consultation**.

- 9 Edit GR.20.21 to introduce (d) and delete “.” at the end of (c) and replace with “; or”.

(d) in making its determination, where the **Grid Code Modification Proposal** constitutes an **EBGL Amendment**, the **Grid Code Review Panel** shall take account of the minimum consultation requirements under **European Regulation (EU) 2017/2195**.

- 10 Edit the first paragraph at GR.21.8 as follows.

After determination by the **Grid Code Review Panel** to proceed to wider consultation, such consultation shall be conducted by the **Code Administrator** on the **Grid Code Modification Proposal** with:

- (i) **Users**; and
- (ii) such other persons who may properly be considered to have an appropriate interest in it, including **Small Participants**, the **Citizens Advice** and the **Citizens Advice Scotland**.; and
- (iii) where the **Grid Code Modification Proposal** constitutes an **EBGL Amendment** with the **Authority** and other relevant stakeholders.

- 11 Edit GR.21.11 as follows

Where the **Grid Code Review Panel** is of the view that the proposed text to amend the **Grid Code** for a **Grid Code Modification Proposal** is not needed (and provided the **Grid Code Modification Proposal** does not constitute an **EBGL Amendment**), the **Grid Code Review Panel** shall consult (giving its reasons to why it is of this view) with the **Authority** as to whether the **Authority** would like the **Grid Code Modification Report** to include the proposed text to amend the **Grid Code**. If it does not, no text needs to be included. If it does, and no detailed text has yet been prepared, the **Code Administrator** shall prepare such text to modify the **Grid Code** in order to give effect to such **Grid Code Modification Proposal** and consult those identified in GR.21.2.

- 13 Edit GR.22.2 to introduce (l) and replace “.” at the end of (k) with “;”.

(l) whether the **Grid Code Modification Proposal** constitutes an **EBGL Amendment** and if so, and in addition to (i) above, a justification for including or not including the views resulting from the relevant consultation in the **Grid Code Modification Proposal**.

- 14 Add the following as GR.22.13.

GR.22.13 where GR.22.9 and/or GR.23.11 is applied to a **Grid Code Modification Proposal** which constitutes an **EBGL Amendment** the process and timetable adopted shall meet the minimum consultation requirements of **European Regulation (EU) 2017/2195**.

15 Edit GR.23.3 as follows.

The matters referred to in GR.23.1 are:

- (b) whether such proposal should be treated as an **Urgent Modification** in accordance with this GR.23 and
- (c) the procedure and timetable to be followed in respect of such **Urgent Modification** which in the case of a **Grid Code Modification Proposal** which constitutes an **EBGL Amendment** shall meet the minimum consultation requirements of **European Regulation (EU) 2017/2195**.

16 Add the following as GR.15.12.

Where a **Grid Code Modification Proposal** constitutes an **EBGL Amendment** **The Company**, when undertaking its role in the **Grid Code Review Panel** or **Working Groups** during the **CUSC Modification Process**, shall duly consider the views of stakeholders resulting from the consultation undertaken to meet the minimum consultation requirements of **European Regulation (EU) 2017/2195**.

4 [GR Annex GR.B]

Attach [Annex GR.B] to the GR and amend the Contents page of the GR to reflect this.
