

Code Administrator Meeting Summary

CMP308 - Removal of BSUoS charges from Generation

Date: 1 October 2019

Contact Details

Chair: Paul Mullen

Contact details: Paul.J.Mullen@nationalgrideso.com

Proposer: Simon Vicary, EDF

Contact details Simon.Vicary@edfenergy.com

Key areas of discussion

The Workgroup discussed the following:

- The workgroup discussed potential alternatives bought forwards by Npower and RWE Supply and Trading
- The alternatives put forwards by Npower were withdrawn, whilst RWE will be looking to develop their alternative before the next workgroup.
- The workgroup discussed amendments to the original proposed legal text to ensure the intent of the modification and any potential alternatives were fulfilled.
- The Workgroup also took note of the conditional extension which they had been given by CUSC Panel, planning a timeline to get the report back to Panel on 29 November 2019.

Next steps

The Workgroup agreed that the following next steps:

- ESO to work on amending legal text (w/c 21 October 2019)
- Workgroup to be held on or after 24 October 2019
- RWE to work on initial ideas for alternative to be discussed for next meeting
