

CAP100

Revision of CUSC Amendment Provisions to ensure that Amendment Reports contain a collective CUSC Panel Recommendation

Ben Graff

Electricity Code Development Manager

National Grid plc

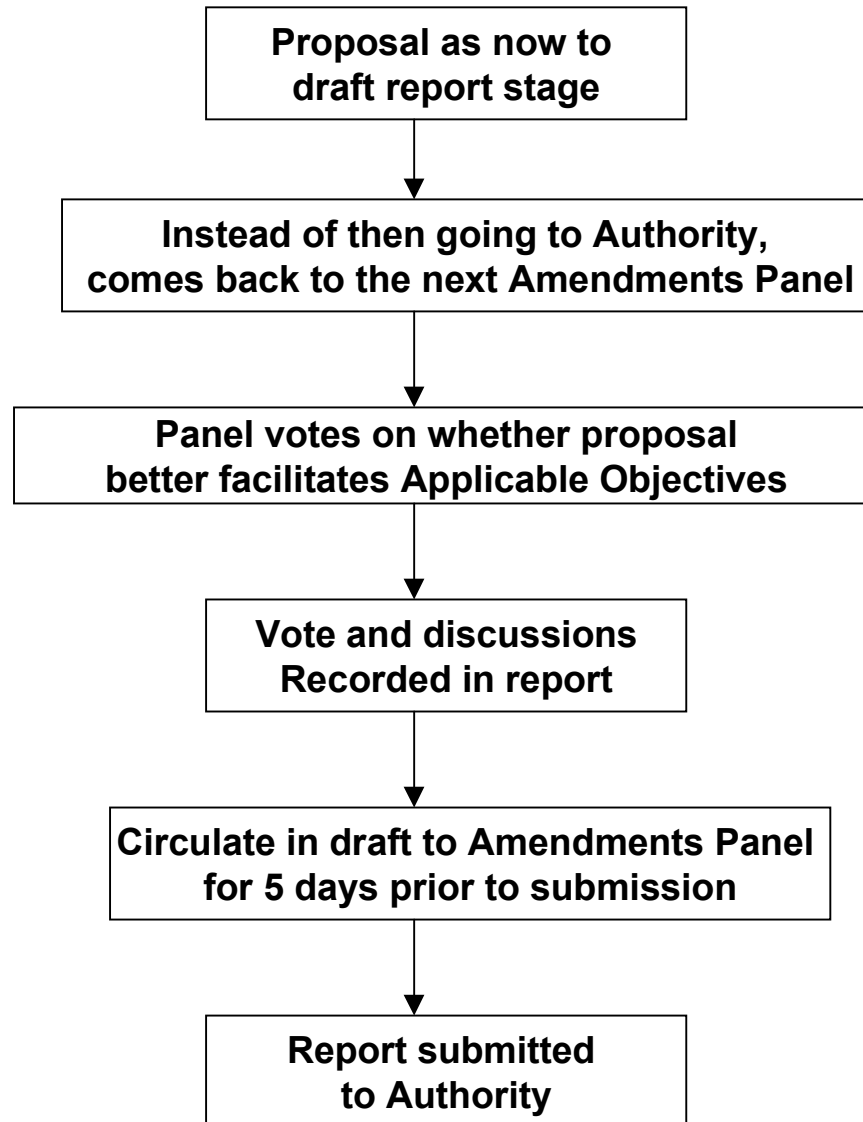

Introduction

- ◆ Background
- ◆ Proposal
- ◆ CUSC Implications/Applicable Objectives
- ◆ Next Steps

Background

- ◆ New Appeals mechanism now “live”
- ◆ CUSC decisions excluded where Authority decisions in line with Panel Recommendations
- ◆ Section for recording Panel Members Views
- ◆ No obvious mechanism for collective decision
- ◆ CUSC out of step with UNC and BSC

CAP100 Proposal

CUSC Implications

- ◆ New process within Section 8
- ◆ New formal task for Panel Members
- ◆ Does lengthen time for reports to get to the Authority.

Applicable Objectives

- ◆ Better facilitates Applicable Objectives
- ◆ Allows NGC to discharge Licence Obligations by ensuring that provision of CUSC properly facilitate the Appeals mechanism
- ◆ Helps facilitate competition in generation and supply by ensuring Authority can receive a clear Panel Recommendation to assist it.
