Dear [NAME]

### Stability Pathfinder

We refer to:

1. the invitation to tender issued by National Grid Electricity System Operator Limited (the “**Company**”) on 5 November 2019 for the Stability Pathfinder phase one tender (the “**ITT**”); and
2. the agreement to be entered into between our respective companies pursuant to the **ITT** (the “**Stability Services Agreement**”).

Words and expressions not expressly defined in this letter have the same meanings, interpretations or construction as set out in the **Stability Services Agreement**.

1. If at any time the **Provider** has issued a **Notice of Unavailability** in respect of the **Facility** in accordance with Clause 3.3 of the **Stability Services Agreement**, the **Provider** may, subject to Paragraph 2 below, on not less than [ ] hours prior written notice (“**Substitution Notice**”), substitute the **Facility** (the “**Retired Facility**”) with any other **Facility** at the same **Grid Entry Point** (or, in the case of a **Facility**, connected to the local **Distribution System**, the associated **Grid Supply Point**) specified in the Annex to this letter (the “**Substitute Facility**”) and may issue an **Availability Restoration Notice** subject to and in accordance with Clause 3.5 of the **Stability Services Agreement**.
2. The **Provider’s** right to substitute the **Retired Facility** in accordance with paragraph 1 above shall be conditional in all respects upon the successful completion of a proving test of the **Substitute Facility** pursuant to the principles set out in Schedule D, Part A of the **Stability Services Agreement** to verify the **Substitute Facility** is capable of providing the **Stability Compensation Service**.
3. In the event of a substitution of the **Facility** in accordance with paragraph 1, the **Parties** shall treat the **Substitute Facility** as the **Facility** for all purposes of the **Stability Services Agreement** and the **Stability Services Agreement** shall be read and construed accordingly. The provisions of paragraph 1 shall apply to any **Substitute Facility** if the **Provider** issues a **Notice of Unavailability**. Without limiting the foregoing, with respect to any **Substitute Facility**, the

technical, commercial and other parameters (including without limitation the period permitted for maintenance under clause 3.13 of the **Stability Services Agreement** and the provisions relating to the calculation of **Availability Payments**) applicable to the **Retired Facility** shall continue to apply in relation to the **Substitute Facility**.

In accordance with the above, the **Stability Services Agreement** shall be deemed to have been amended and its terms shall be read and construed accordingly.

Please sign, date and return the enclosed copy of this letter to **[NG Contract Manager's Name]**.

Yours sincerely,

Signed.....

**For and on behalf of [ ]**  
**National Grid Electricity System Operator Limited**

We hereby confirm receipt of a copy of the letter of which this is a true copy and confirm our agreement to its terms.

Signed.....

**For and on behalf of [ ]**

Dated.....
