Key areas of discussion

- The Chair presented the remaining timeline for the modification. She informed the Workgroup that the Grid Code Review Panel was taking place earlier this month on 25 January 2021 which means that the Panel Papers day Friday 15 January 2021. The Workgroup was asked to agree to having 3 working days to review the Workgroup Report, check their voting has been recorded correctly and send in their voting statements. There were no objections to this arrangement.
- The Elexon representative raised a minor change to the Legal text for the Original Proposal. The Workgroup and Proposer were satisfied with the change and the proposed Legal text has been updated to incorporate this.
- No alternative proposals were raised. The Workgroup voted on GC0144; it was unanimously agreed that the Original Solution is the best option.

Next steps

- The Code Administrator will issue the Workgroup Report to the Workgroup on 11 January 2021. The Workgroup will then have 3 working days to review the Workgroup Report, check their voting has been recorded correctly and send in their voting statements.
- The Workgroup Report will be included with the Panel papers on 15 January, to be presented to the Panel on 25 January. Panel will decide whether the Workgroup have met their Terms of Reference and whether the modification can proceed to Code Administrator Consultation.
