Are you interested in finding out about how the electricity market is changing and progressing to a zero carbon grid?

The Markets team in the ESO are running a series of interactive, online events in March, where you will be able to take part in focused sessions with subject matter experts on different aspect of electricity market change.

[Click here](#) to find out more and register for the events or access the recordings if you can't make the session.

# R2NZ2

We'd love to hear what you thought of  
the event.
