

HVDC Western Link

HVDC Western Link – 05 July 2021

Dear market participant,

The HVDC Western Link tripped on Friday 18th June 2021 and is currently unavailable.

It is expected to return to service at the end of July 2021 OR early August 2021 (TBC).

As soon as we receive further information we will provide another update.

Many thanks,
ESO Charging
National Grid Electricity System Operator
