CEP 6(4) Workstream Update provided by Joseph Henry, NGESO

Joseph Henry provided an update on CEP 6(4) Workstream Update, details available on the slides.

EBR Article 52 ISH Amendment update provided by Shalini Suthasan, NGESO

Shalini Suthasan gave an update on EBR Article 52 ISH Amendment, details available on the slides.

Dynamic Moderation (DM) / Dynamic Regulation (DR) presentation provided by Alastair Grey, NGESO

Alastair Grey gave a short presentation on Dynamic Moderation (DM) / Dynamic Regulation (DR), details available on the slides.

AOB

Lisa Waters - Raised concerns that the ESO were looking to codify modifications to the BSC which were relevant only to European Balancing Platforms such as TERRE and MARI, in which GB cannot participate. Lisa felt that this was the wrong thing to do and unhelpful for industry to have superfluous modifications added into the relevant codes.

Next Meeting and Future Agenda Items

- The next JESG meeting will be **10 August 2021** starting at 10am.
- Stakeholders are invited to submit agenda items and presentation material for this meeting by **30 July 2021** or any future meetings to the Technical Secretary by emailing: box.europeancodes.electricity@nationalgrideso.com.
