For reference the Applicable Grid Code Objectives are:

- a) *To permit the development, maintenance and operation of an efficient, coordinated and economical system for the transmission of electricity*
- b) *Facilitating effective competition in the generation and supply of electricity (and without limiting the foregoing, to facilitate the national electricity transmission system being made available to persons authorised to supply or generate electricity on terms which neither prevent nor restrict competition in the supply or generation of electricity);*
- c) *Subject to sub-paragraphs (i) and (ii), to promote the security and efficiency of the electricity generation, transmission and distribution systems in the national electricity transmission system operator area taken as a whole;*
- d) *To efficiently discharge the obligations imposed upon the licensee by this license and to comply with the Electricity Regulation and any relevant legally binding decisions of the European Commission and/or the Agency; and*
- e) *To promote efficiency in the implementation and administration of the Grid Code arrangements*

Please express your views regarding the Workgroup Consultation in the right-hand side of the table below, including your rationale.

Standard Workgroup Consultation questions		
1	Do you believe that the GC0138 Original Proposal better facilitates the Applicable Objectives?	Yes
2	Do you support the proposed implementation approach?	Yes
3	Do you have any other comments?	<p>The Code changes should allow for fullest use of virtual meeting tools, as mentioned in the consultation document, to maximise flexibility and the benefit of attendance.</p> <p>The changes should not alter the existing ability of the host Transmission Owner to attend tests or participate in the compliance process.</p> <p>The test results format is described in both ECP Appendix 4 and OC5 Appendix 1. This risks errors in discrepancies between the two. It may be better to detail the tables in one location with reference from the other.</p>
4	Do you wish to raise a Workgroup Consultation Alternative Request for the Workgroup to consider?	No
