

## Grid Code Review Panel

Paper GCRP 01/28

### Summary of Actions from meeting on 13 Sept 2001

| Name       | Min No.    | Topic   | Details   | Status                            | Comments   |
|------------|------------|---|---|-----------------------------------|--|
| KJB<br>HPJ | 442<br>472 | Frequency Response                                  | Keep under review the issue about what requirements, if any, need to be placed on Minor Independent Generating Plant in the Grid Code.  | Ongoing<br>(Feb 2002)             | NGC is keeping the situation under review, and gave annual updates in February 1999, 2000 and 2001 |
| GJC        | 923        | BOA's going to the wall                             | NGC issues BOA's that take generators to the end of the BM period then expect generator to return to PN. This causes technical and commercial difficulty for generator. Investigate and propose GC changes if necessary | November<br>GCRP<br>Meeting       | Issue still ongoing - See Paper GCRP 01/31   |
| AR         | 967        | Data Management during EDT outages                  | Update on review to be provided at next meeting.  | November<br>GCRP<br>Meeting       | Verbal report  |
| DP         | 989        | Use of e-mail                                       | Prepare and distribute Consultation Paper   | Complete                          | Consultation Paper E/01 distributed 24 Sept 2001   |
| GJC        | 999        | National Grid Software documentation change control | Prepare and distribute Consultation Paper   | Complete                          | Consultation Paper H/01 distributed 24 Sept 2001   |
| DP         | 1005       | Review of OC4                                       | Prepare and distribute Consultation Paper   | Complete                          | Consultation Paper G/01 distributed 24 Sept 2001   |
| DP         | 1010       | Energy Data   | Prepare and distribute Consultation Paper   | Complete                          | Consultation Paper F/01 distributed 24 Sept 2001   |
| DP         | 1018       | ROCOF Reporting                                     | Prepare an annual report  | September<br>2002 GCRP<br>Meeting |  |
| GJC        | 1025       | BSC/CUSC Modifications                              | Summary of BSC/CUSC modification proposals which may have an impact on the Grid Code to be included as an agenda item.  | Complete                          | See paper GCRP 01/33 - Agenda item 7.1   |
| GJC        | 1032       | MEC   | Report back on possible CUSC amendment proposals  | Nov GCRP<br>meeting               | Verbal report to be provided at meeting as issue is still under discussion.                        |
| AR         | 1036       | Time tagging of Dynamic Parameters, etc             | Report back on position of various software developments  | Nov GCRP<br>meeting               | Verbal report to be provided at meeting.   |
