

Grid Code Review Panel

Proposed GCRP meeting dates for 2006

1. This paper proposes 4 meeting dates for the Grid Code Review Panel meetings IN 2006.
2. The dates have been selected to avoid clashes with BSC Panel meetings.
3. The Grid Code Constitution and Rules paragraph 10.1 states that the 'normal venue for meetings shall be National Grid Transco House, Warwick.' Given the number of attendees at GCRP meetings and the availability of suitable rooms, it is unlikely that meetings will be held at NGT House in Warwick in 2006. Venues will therefore be advised on a meeting by meeting basis when GCRP papers are circulated.
4. The proposed meeting dates are as follows:
 - 23 February 2006
 - 18 May 2006
 - 21 September 2006
 - 23 November 2006
5. GCRP members are invited to agree the proposed meeting dates.
