105	December 2019		10047	Code Admin	Outcome of Ofgem/BEIS Energy Code review consultation and Ofgem review of GB system operation to be added as future agenda item	Ongoing – Energy Codes Review second consultation was issued 20 July 2021 and closed 28 September 2021. The consultation proposes a new institutional governance framework for codes, which would introduce a strategic function to set a clear direction for code reform and a code management function to implement it. Ofgem currently reviewing. At CUSC Panel on 26 November 2021 (and 17 December 2021 and 26 January 2022), Ofgem confirmed they had received a lot of responses and would be looking to publish a Government response; however, no timeline for this as yet.	25/2/22	Open

157	21 January 2021	10738	Code Admin	Consider best approach to have a wider review of the governance rules particularly in relation to raising alternative proposals (WACM's), urgent modification processes (e.g., why so many Urgent Modifications and what do we class as a standard timeline) and send-backs.	Ongoing – Panel agreed on 26 January 2022 to put the discussion on the alternative modifications on hold until the outcome of the Energy Codes Review. Panel agreed that the review should focus on the send-back process and Code Admin can remind Panel of the changes made to the Urgency process – aiming to add an agenda item for the Panel on 25 March 2022.	25/3/22	Open
158	26 March 2021	10825	JDdu/Code Admin	Standing action to review the progression of the implementation of CMP326 – agreed that this will be presented every 2 months following Ofgem approval of CMP326	Ongoing – to be discussed from September Panel as this was approved by Ofgem on 10 August 2021). As of 18 November 2021, the implementation of CMP326 is being introduced through a second release of a new IT system, the timing of this is subject to the first phase of the project. The second release is currently expected to be implemented for 1 December 2022. Should this second release be pushed back, there will be a manual process implemented, to ensure CMP326 delivery on 1 December 2022.	25/3/22	Open
