

Headline Report – 30 June 2022

Grid Code Review Panel

The Grid Code Review Panel Headline Report is produced after every Panel and aims to provide an overview of the key decisions made. Minutes for this meeting will be published separately.

Approval of Panel Minutes

The meeting minutes from the Panel on 26 May 2022 were approved and these will be uploaded to our website.

New Modifications

The following new Modification Proposals were presented to the Panel:

GC0157: Grid Code Housekeeping Modification

This Proposal seeks to make minor corrections in the Grid Code of errors identified from previous implementations. It also presents for information only an amended housekeeping process that will be used by the ESO going forwards.

The Panel will be agreeing by circulation within the next 5 working days (07 June 2022) whether GC0157 should follow the Self-Governance route and proceed to Code Administrator Consultation.

GC0157 documentation can be found [here](#).
