

# Headline Report – 24 November 2022

## Grid Code Review Panel

The Grid Code Review Panel Headline Report is produced after every Panel and aims to provide an overview of the key decisions made. Minutes for this meeting will be published separately.

## Approval of Panel Minutes

The minutes from the Special Panel on 18 October 2022 were approved, along with the minutes for the Panel held on 27 October 2022 (subject to the incorporation of minor amendments made by the Panel), these will be made available on our website.

## New Modifications

There were no new Modification Proposals presented to the Panel.

## New / Pending Authority Decisions

Ofgem provided an update on Modifications that are currently awaiting their decision since the last Grid Code Review Panel.

## Decisions since last Grid Code Review Panel

There are no Ofgem decisions on Grid Code Modifications since the last Grid Code Review Panel.

## Awaiting Decisions

Modification	What this seeks to achieve	Expected Decision Date
<b>GC0141: User Compliance Processes and Modelling following 9th August Power Disruption</b>	The Government (BEIS) and the Regulator (Ofgem) investigated and reviewed the incident on 9th August 2019 when some 1 million customers lost their electricity supply as a consequence of unexpected losses of Generation following a correctly cleared fault event on the Transmission System.	30/11/2022
<b>GC0148: Implementation of EU Emergency and Restoration Code Phase II</b>	Under the NCER, there are a number of articles which have a completion date of 18 December 2022 and 18 December 2024. The aim of this Modification is to outline the work that needs to be completed within GB to ensure compliance with NCER and address some other related items which neatly fit within the Emergency and Restoration Code arena.	02/12/2022
<b>GC0160: Grid Code Changes for BSC Mod P448: "Protecting Generators subject to Firm Load Shedding during a Gas Supply</b>	The BSC Modification proposes to address the risk of Generators in GB being prevented from generating this winter (due to Load Shedding during a Network Gas Supply Emergency) by allowing such Load Shedding instructions to be settled as Bids. As a result, and to ensure consistency between the BSC and the Grid Code, this Modification seeks to ensure that the	Early December 2022.
