

Electricity System Restoration (ESR) Contract Declaration

Acceptance of terms

All tenderers are required to sign the declaration below confirming that they accept the *conditions of contract* save for changes necessary to reflect the type and technical characteristics of the tendered plant. If you have any outstanding queries regarding terms and conditions, please let us know at the earliest convenience and in all cases sufficiently ahead of the 14th September 2023. Please note that the Electricity System Operator Ltd is not obliged to make *any* changes to the *conditions of contract*. Where the tenderer is a consortium, the declaration must be signed by the lead party on behalf of itself and the other consortium member (or members).

Declaration:

On behalf of _____ I declare that I have read and understood the conditions of contract. I declare that the tenderer accepts the conditions of contract and is participating on that basis. The tenderer acknowledges that Electricity System Operator Ltd is not obliged to make any changes to the conditions of contract.

I confirm that I am authorised on behalf of [the tenderer] [each party participating in the tenderer consortium] (delete as appropriate) to make this declaration.
