

Grid Code Panel Member Biography

**Name:**

Alastair Frew

Role:

Generator Panel Member

Biography:

I have worked in the electricity generation sector for the last 36 years and was involved with the implementation of BETTA. I have been a member of the GCRP and for the last 12 years have served as either a panel Member or Alternate.

I am currently a member of a number of industry working groups relating to the implementation of the European Grid Code, fault ride through requirements and system restoration. My aims within the Panel and workgroups are to ensure that the obligations placed on all parties are clear, reasonable, and achievable.
