Guidance for Alternative Proposers

Who can raise an Alternative? Any CUSC or BSC Party, or Citizens Advice can raise an Alternative Request in response to the Workgroup Consultation.

How do Alternative Requests become formal Workgroup Alternative Modifications?

The Workgroup will carry out a Vote on Alternatives Requests. If the majority of the Workgroup members or the Workgroup Chair believe the Alternative Request will better facilitate the Applicable Objectives than the current version of the Code, the Workgroup will develop it as a Workgroup Alternative Modification.

Who develops the legal text for Alternatives? ESO will develop the Legal text for all Workgroup Alternative Modifications and will liaise with the Alternative Proposer to do so.

What is the proposed alternative solution?

This alternative looks to provide a full cover of solutions put forward by this workgroup. This will give the Authority the ability to have a full cover of options put forward by the workgroup.

What is the difference between this and the Original Proposal?

This solution encompasses WACM1 and WACM2 solutions along side the Original Solution.
