

## DFS - Registered providers list – 2023/24

We've compiled a list of all the Registered Providers who took part in DFS during winter 2023/24. There are two tables (one for domestic households and micro-businesses and one for all other businesses). It also shows if they are a member of the Flex Assure compliance scheme or aligned to the HOMEflex voluntary standards for flexibility service providers.

### DFS Registered Participant – Domestic Households – 2023/24
