26 June 2024
Reference: CM099 Self Governance Statement

Dear Nadir,

This is the STC Panel's Self-governance Statement to the Authority for STC Modification Proposal CM099. National Grid ESO has prepared this Self-Governance Statement on behalf of the STC Panel and submits it to you in accordance with the STC.

On 26 June 2024 the STC Panel considered CM099 and confirmed unanimously that it meets the Self-governance criteria.

As such, CM099 is unlikely to discriminate between different classes of STC Parties and is unlikely to have a material effect on:

- i) Existing or future electricity customers;
- ii) Competition in the generation, distribution, or supply of electricity or any commercial activities connected with the generation, distribution or supply of electricity,
- iii) The operation of the National Electricity Transmission System
- iv) Matters relating to sustainable development, safety or security of supply, or the management of market or network emergencies
- v) The STC's governance procedures or the STC's modification procedures

The proposed timetable for the progression of CM099 is as follows:

Submission to Panel	26 June 2024
Draft Fast Track Self-Governance Report presented to Panel	26 June 2024
Panel Check Votes	27 June 2024
Appeals Window (15 business days)	01 July 2024 to 19 July 2024
Implementation	31 July 2024

The CM099 Proposal form can be viewed [here](#).

If you require any further information, please do not hesitate to contact me.

Yours sincerely,

Deborah Spencer
STC Panel Secretary.
