# Secretary Of State (SOS) Opt Out

## Feature Description

If the Secretary of State makes changes to the Auction Parameters following a Prequalification Window, the Delivery Body must publish the updated Auction Parameters, notify Applicants of the change and give the opportunity to Opt-out of the Auction.

## Customer Feedback Considered

- No previous feedback to consider
- Using a format used in other processes to keep it familiar to Applicants

## High Level Requirements Proposed

If the Secretary of State makes changes to the Auction Parameters following a Prequalification Window, the Delivery Body must publish the updated Auction Parameters, notify Applicants of the change and provide the opportunity to Opt-out of the Auction.

**Please declare whether the CMU**

Will be closed down, decommissioned or otherwise non-operational by the commen... ▾

**Please provide a summary of the reasons for that statement:**

Lorem ipsum dolor sit amet

**Please Confirm**

If you selected statement (iii) then please confirm if the reason for the statement is that the CMU compromises of at least one Fossil Fuel Component or at least one Storage Facility which has part or all of its electricity requirements met by an Associated Fossil Fuel Component, any of which would exceed the Fossil Fuel Emissions Limit if a Fossil Fuel Emission Declaration in respect of the CMU were made as part of an Application for Prequalification.
