Terms of Reference

Workgroup Term of Reference	Location in Workgroup Report (to be completed at Workgroup Report stage)
a) Implementation and costs;	
b) Review draft legal text should it have been provided. If legal text is not submitted within the Grid Code Modification Proposal the Workgroup should be instructed to assist in the developing of the legal text;	
c) Consider whether any further Industry experts or stakeholders should be invited to participate within the Workgroup to ensure that all potentially affected stakeholders have the opportunity to be represented in the Workgroup. Demonstrate what has been done to cover this clearly in the report	
d) Be aware of and consider cross code impacts, and consider co-ordinate submission and implementations	
e) Consider EBR implications	
f) Consideration of any unintended consequences of effectively redefining the observability area	
g) Consider the Ofgem Letter of 10 January 2022	
h) Consider any implications of GC0117; and	
i) Consider any temporary governance arrangements required prior to any formal governance being in place
