Code Administrator Meeting Summary

Meeting name: **GC0169/173 Workgroup Meeting 3**

Date: 17 December 2024

Contact Details

Chair: Jess Rivalland jessica.rivalland@nationalenergyso.com

Proposer: Tony Johnson antony.johnson@nationalenergyso.com

Key areas of discussion

Workgroup Objectives and Timeline

The primary objective of this meeting was to confirm the legal text.

GC0169 Actions and Legal Text

The proposer went through the updated legal text.

- A workgroup member raised a couple of points for clarity which have been captured as actions 9 and 10.
- The legal text will be ready for the workgroup consultation when actions 9 and 10 have been actioned and closed.

GC0173 Actions and Legal text

The proposer went through the updated legal text.

- Several workgroup members raised concerns regarding the proposed changes to 20% voltage control test for Power Park Modules detailed in ECP.A.6.2.1. This has been captured in action 7.
- The legal text will be ready for the workgroup consultation when action 7 has been resolved and closed.

Terms of Reference

The Chair presented the Terms of Reference for GC0169 and GC0173 and there were no comments or revisions raised for consideration from the Workgroup members. It was agreed that all Terms of Reference have been addressed.

Public

Workgroup Consultation questions

The Chair presented the standard Workgroup consultation questions and asked the workgroup to consider any additional questions for suggestion and discussion at the next workgroup.

AOB

None

Next Steps

- Finalise legal text with regards to ECP.A.6.2.1
- Prepare the workgroup consultation document and circulate it for review.
- Schedule the next workgroup meeting for February, avoiding the first week.
