Headline Report January 2025

The Headline Report is produced after every Panel and aims to provide an overview of the key decisions made. Minutes for this meeting will be published separately.

Approval of Panel Minutes

The meeting minutes from the Panel on [11 September 2024](#), [24 September 2024](#) and [13 November 2024](#) were approved subject to minor comments from the Panel being incorporated and these have been uploaded to our website. Links can be found above.

New Modifications

The following new Modification Proposal was presented to the Panel:

GSR033: Code Maintenance

This modification aims to amend the SQSS Governance Framework and bring it into the formal SQSS in line with licence changes set out by Ofgem and putting obligations on NESO.

The Panel unanimously agreed that GSR033 should follow the Standard Governance route with a condensed timeline and proceed to Code Administrator Consultation, subject to legal text suggestions from the Panel being incorporated into the Code Administrator Consultation.

GSR033 documentation can be found [here](#)
