Dear Gurpal,

This is the Grid Code Review Panel's Self-governance Statement to the Authority for Grid Code Modification Proposal **GC0174: Removal of obligation to provide EU Transparency Availability Data as specified in OC2.4.7**. National Grid ESO has prepared this Self-Governance Statement on behalf of the Grid Code Review Panel and submits it to you in accordance with the Grid Code.

On 25 July 2024, the Grid Code Review Panel considered **GC0174** and confirmed by majority that it meets the Self-governance criteria.

As such, **GC0174** is unlikely to discriminate between different classes of Grid Code Parties and is unlikely to have a material effect on:

- i) Existing or future electricity customers;
- ii) Competition in the generation, distribution, or supply of electricity or any commercial activities connected with the generation, distribution or supply of electricity,
- iii) The operation of the National Electricity Transmission System;
- iv) Matters relating to sustainable development, safety or security of supply, or the management of market or network emergencies;
- v) The Grid Code's governance procedures or the Grid Code's modification procedures.

The proposed timetable for the progression of **GC0174** will be confirmed following Panel approval.

The **GC0174** Proposal form is available at:

If you require any further information, please do not hesitate to contact me.

Yours Sincerely,

Sarah Williams  
Grid Code Review Panel Technical Secretary.
