For reference the Applicable SQSS Objectives are:

- i) *facilitate the planning, development and maintenance of an efficient, coordinated and economical system of electricity transmission, and the operation of that system in an efficient, economic and coordinated manner;*
- ii) *ensure an appropriate level of security and quality of supply and safe operation of the National Electricity Transmission System;*
- iii) *facilitate effective competition in the generation and supply of electricity, and (so far as consistent therewith) facilitating such competition in the distribution of electricity; and*
- iv) *facilitate Licensees to comply with any relevant obligations under Assimilated law.*

Please express your views in the right-hand side of the table below, including your rationale.
