Issue 1

Dear Service Provider

Transmission Constraint Management: Confirmation of Contract

The following Transmission Constraint Management Requirement led National Grid Electricity Transmission (**NET**) to seek to manage forecast constraint costs and volumes, arising from works to maintain the transmission system, through a constraint management contract.

Constraint Requirement

Requirement Location: North Wales

Constraint Duration: Contract Summary:

Start Time	End time	Type
23:00 28/10/14	07:00 14/11/14	Stability

Capped Output	Capped Pumping
N/A	5 pumps (overnight only) 4 pumps (on instruction)

To meet the requirement, services offered by First Hydro Company on behalf of Dinorwig Power Station were accepted as summarised above.

Yours faithfully

Sarah Hall
