

## Recovery of EMR Preparatory Costs

---

National Grid BSUoS Charging Circular

29<sup>th</sup> May 2014

Dear Customers,

Please be aware that the license now includes a new term in the internal section, SOEMR (for the recovery of EMR Preparatory Costs in 2014/15) which has been given a value of £14.7m in 2009-10 prices (zero for all other years).

This equates to £17.7m in 2014/15 prices and will apply from SF settlement date 07/05/14 which will be billed on 30/05/14 at which point SOEMR is being added. SOEMR will therefore be recovered over 328 days of the SF run at £53,840.43 per day. This will be reconciled to a 365 day recovery period, which is equivalent to £48,530.14 per day.
